Notes:
1. All PhD CS students are required to take the comprehensive exam within the first 36 credits in the program (part-time students can't postpone the exam beyond five years).
   Shorter deadlines may be imposed by the CS department for students transferring from another PhD program or changing their catalog year.
2. This form must be submitted to the CS department at least four months prior to the target oral exam date.
3. An initial reading list of the research papers selected by the student and his/her advisor must be attached to this form. The reading list, as well as the names of other examination committee members, will be finalized and communicated to the student by the CS department.
