

Select one: 798 Project 799 Thesis

Requirements

- It is recommended that the student complete 18 graduate credit hours prior to undertaking a project or thesis.
- Choose a topic for the project or thesis and choose a faculty member to serve as director.
- Work with the faculty director to obtain the agreement of two other suitable individuals to serve on a committee with the director.
- Produce a proposal clearly stating the substance and tangible products of the work. For example, the proposal may be an extended abstract for 2-5 typed pages in length.
- Attach the project or thesis proposal to this form and obtain the signatures of the committee members. Submit the completed materials to the CS Department.

Last Name, First Name	G#	GMU E-mail
-----------------------	----	------------

Number of graduate credit hours completed: _____

Proposed Title: _____

Committee

Faculty Director	Signature	Date
------------------	-----------	------

Committee Member	Signature	Date
------------------	-----------	------

Committee Member	Signature	Date
------------------	-----------	------

Note: If any of the committee members is not a full time CS faculty member, then the graduate coordinator must indicate approval of that arrangement by signing below. The signature of the Department Chair is required in all cases.

Graduate Coordinator Signature (if required)	Date
