

College Bound Math Problems #16
week of February 23, 2016

Students: Please decide with your mentor whether to use this week catch up on math problems, by picking an earlier math set to work on. In other words, you can . . .

Choose a topic you like and click a number to get a problem set.

- **calendar fun ([10](#), [11](#) & [15](#))**
- **extreme numbers ([1](#) & [2](#))**
- **squares & roots ([3](#) & [6](#))**
- **cool patterns ([7](#), [13](#) & [14](#))**
- **other fun ([8](#) & [9](#))**
- **parabolas with applications ([12](#))**
- **SAT-like problems ([4](#) & [5](#))**

If the links don't work, go to cbmath.org and click "Weekly Math Problems & Solutions" Then under "Problem Sets" in the box "Online Link" click any number.
