

CS 211: Exam 2 Reflection Survey

This is an **anonymous** feedback survey. Please indicate below how you feel the course is going.

	Epic Win	1	2	3	4	5	Fail!
1.	I am very satisfied with my grade on Exam 2.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Exam 2 was a soul-crushing defeat for me.
2.	I spent a lot of time prepping specifically for Exam 2.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Too many Youtube videos to watch, didn't spend any time prepping.
3.	The Java Jeopardy review game helped me understand the kind of questions that would be on the exam.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Java Jeopardy is useless: review some other way.
4.	The topics covered on Exam 2 reflected what we did in lecture and on projects.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	There was nothing in common between the exam and what we did elsewhere in the class.
5.	Finishing Project 4 (Modern Gems) helped prepare me for Exam 2.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Project 4 didn't help me with the exam at all.
6.	Kauffman provided plenty of review material via schedule, slides, Java Jeopardy, code, etc. to help me study.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	A study guide outlining topics to be covered on the exam would be much more helpful than that other stuff.

Check the response most accurately reflecting your experience.

7.	<input checked="" type="checkbox"/> I studied hard for Exam 2 and that improved my grade on the exam.	<input type="checkbox"/> I studied hard for Exam 2 and it didn't help	<input type="checkbox"/> I didn't study much for Exam 2
8.	<input checked="" type="checkbox"/> I wrote solutions to Java Jeopardy review questions to help me prep	<input type="checkbox"/> I only looked at Java Jeopardy questions	<input type="checkbox"/> I didn't look at the Java Jeopardy questions
9.	<input type="checkbox"/> I reviewed lecture slides and took down notes to prep for the exam	<input checked="" type="checkbox"/> I looked at the lectures slides in preparation	<input type="checkbox"/> I didn't look at the lecture slides in prep for the exam
10.	<input checked="" type="checkbox"/> I compiled, ran, and made changes to the lecture code samples.	<input type="checkbox"/> I downloaded the code samples and looked at them only	<input type="checkbox"/> I didn't bother with the code samples
11.	<input checked="" type="checkbox"/> I reviewed the assigned textbook/lab manual chapters, tried some of the exercises therein	<input type="checkbox"/> I re-read some chapters but didn't do any exercises	<input type="checkbox"/> I didn't re-read anything for exam 2
12.	<input checked="" type="checkbox"/> I attended Tuesday office hours to ask exam prep questions	<input type="checkbox"/> I thought about attending office hours but answered my own questions	<input type="checkbox"/> I didn't form any questions in prep for the exam

I spent about this many **hours** preparing for Exam 2: 4-6

I spent about this many **hours** completing HW 4: 15+

I've got this on my mind concerning CS 211 right now:

I'm happy with my exam grade because it shows that as long as I follow the things that were listed above. My efforts will be rewarded. I think this class is fair
